Following the service, you are invited to stay for lunch. We invite everyone to stay and enjoy a time of fellowship together. The Wanner Woods walking trail offers a quiet and meditative space to enjoy after your lunch. There is a beach volleyball court set up for those who are interested in playing. Feel free to go and grab a ball and start playing- others will be sure to join you!

*We take our offerings this Sunday to support our friends in recovery homes run by the support of the Family Counselling Centre of Cambridge and North Dumfries (FCCCND). Last year, the men's recovery home moved onto our property at Wanner. We are committed to supporting our friends and neighbours in their healing and recovery process. Not only have we shared our material resources, but we also support them through our prayers. Please join us in our prayerful offerings for the recovery homes. Cheques can be made payable to Family Counselling Centre of Cambridge and North Dumfries.
